

LPACC Hall of Success

Marc Zeglis

Class of: 2000-2002

ACC Program:
CAD Drafting

Occupation

Architect

Home School

LaSalle—Peru

What I Learned at The ACC

Mr. Schwingle taught us the fundamentals of drafting by hand, before we were allowed to use them on the computer and that gave us all a better work ethic and appreciation for the technology and how to use it.

My Advice to The ACC

Take pride in the work you produce, in doing so your passion will show!
